2005 Master Teacher Award Nomination Form

There are many attributes that make your nominee a "Master Teacher," however, the following criteria, along with the consideration of subject matter and types of classes taught have been established to aid in the selection process.

Your nominee should:

*Be presently employed full time by Bowling Green State University.
*Have taught a minimum of five years full time at the University.
*Exhibit scholarly knowledge and present class material in an effective manner.

Please Print or Type
